Experience

SOFTWARE DEVELOPER - Nov,2020 - Present

Virtual Maze Software Company / Chennai

I got more field experience and advance level works in package development, API Integrations and Designing customized templates for our products in this company, It's also a start-up company.

JUNIOR SOFTWARE DEVELOPER- JAN, 2019 - FEB, 2020

The Turbotechnologies / Chennai

I've started my career as a Jr SD. I have done more interesting projects and also developed ERP products for clients. It's very challenging to maintain both college and work parallelly.
